Race Notes	
<p>All drivers must register and draw for qualifying before their drivers meetings. Pro Late Models will be impounded after qualifying. Modifieds may be impounded after qualifying. Spotters are required in the designated area. If you do not have a spotter you will not race. Spotters must have the ability to monitor race control. Frequency 461.2000 Qualifying tires can be picked out on Friday but no tires will be mounted until Saturday morning. All cars will go through a safety inspection prior to going on track Saturday. In the event we are unable to qualify second round practice times will be used for race lineup before invert.</p>
