Event Notes	
<p>It is recommended late model teams pre-tech on Friday if practicing to insure full practice time on Saturday All Modified of Mayhem cars must have right front carburetor stud drilled for sealing Spotters are mandatory and must have the ability to monitor race control through a second radio or scanner Racing Radios will be on site if you need assistance with monitoring race control Drivers meeting is mandatory for all drivers/spotters. Roll will be called. Failure to attend will result in penalty. Qualifying order and tire selection will be based on entry. First to enter first to pick tires and last to qualify.</p>
