## PRESS RELEASE

*April 27, 2023 Montgomery, Alabama: Sometimes you get the feeling that it just isn't supposed to be. Such it is for the Rumble by the River at Montgomery Motor Speedway. After much deliberation, track promoter Stan Narrison, along with SSS officials, have made the tough decision to cancel the double header events scheduled for this weekend. The high probability of rain on Saturday and Sunday, factored in, as track and Series officials did not want to chance having teams make a second trip to the Capital City with a high risk of another cancelation. At this time no date has been set for a reschedule of the Super Late Model portion of the show.*

*"Cancelling this event is a heart breaker for us at Montgomery Motor Speedway. Personally, I really was looking forward to seeing Supers and our great Pro Late Model program running the same night", stated Track general manager Stan Narrison. "With the weather forecast being what it is, we wanted to be considerate to our teams and our fans".*

*The Next Event at Montgomery Motor Speedway will be May 27<sup>th</sup> Entry fees for Pro Late Models, Late Model Sportsman and Street Stocks will roll over to this event. More Info Coming*

*The ASA STARS National Tour will be up next on May 7<sup>th</sup> at Madison International Speedway, while the next SSS event will be in conjunction with yet another STARS event at the iconic North Wilkesboro Speedway on Tuesday Night, May 16<sup>th</sup>.*
